Leavell-Smith

One of the prettiest and most beautiful appointed weddings that has ever occurred here was the marriage of Miss Mattie Mae Leavell to Mr. Michael Robert Smith, of London, Ky., which was celebrated Wednesday, December the eleventh at high noon in the Pleasant Grove Christian church. Rev. Homer Carpenter was the officiating minister. Miss Stella Brown, of Danville, presided at the organ, assisted by Mr. Robert McKee, of London, on the violin, who rendered several beautiful selections during the assembling of the guests. The wedding was very brilliant and beautiful and an interesting event in Central Kentucky as both bride and groom are well known and very popular. Miss Leavell is a graduate of Hamilton College and one of our most talented, popular girls. She is an artist of ability and is also possessed with a beautiful voice.

The church was handsomely decorated with holly, mistletoe and laurel, the pulpit being filled with palms, ferns and other plants and bordered with ferns, making a high tropical bank of green, back of the wedding party. Just in front of this was a semi circle made of several columns which were covered with laurel, holly and mistletoe, lighted by many candles. From the two middle columns was suspended a large bell under which the bride and groom stood during the ceremony.

The bridal chorus from Lehigh was played for the entrance of the wedding procession.

First came Miss Tev is Carpenter, of Stanford, down the left aisle with Dr. John McKee, of London, down the right. They were followed alternately by Miss Ollie Smith and Mr. Roy Brown, of London. Then came the bride with her sister, Miss Lillian Leavell, who was maid of honor. At the same time, the bridegroom with his best man, Mr. George Smith, of London, entered from the rear of the church. The couple, joining, stood before the minister, with maid of honor or best man on each side and the bridesmaids and groomsmen forming a semi circle and making a very attractive picture. During the ceremony Mr. Robert McKee played a violin solo, "Call Me Thine Own."

The bride was beautiful in her exquisite robe of white chiffon, over silk and trimmed with Duchesse lace. Her tulle veil was artistically arranged and she carried a large bouquet of white carnations and bride roses.

The maid of honor, Miss Lillian Leavell, was beautifully gowned in pale yellow and carried yellow chrysanthemums. The bridesmaids looked charming in white net over white silk with yellow sashes, made into chrysanthemums, and carried yellow chrysanthemums.

For the departure from the church, the Mendelssohn's wedding march sounded joyful notes. Immediately Mr. and Mrs. Smith left for their bridal tour and the happy couple were attended by many loving wishes for success and happiness.

## CENTRAL RECORD

ISSUED WEEKLY. \$1.00 A YEAR.  
LOUIS LANDRAM, Edr.-Pubr.  
Entered at the Post Office in Lancaster, Ky., as Second-Class Mail Matter.

Member Ky. Press Association.

Lancaster, Ky., December 13, 1907.

### Local Items.

**For Kentucky River.**  
The estimates of the Secretary of Treasury for appropriations for the next fiscal year call for \$99,000 for improving Kentucky River and \$420,000 for locks on the same stream.

**Mason.**  
Mrs Susan Shelby Mason, of Chicago, died yesterday in Lexington. The deceased was the daughter of Maj Isaac Shelby, of Arcadia. The remains were brought to Danville and the funeral was conducted at the home of Mr W S Lawwill.

**Gets Five Hundred Dollars.**  
In the case of Mr J E Mount against the L & N railroad, the jury awarded a verdict of five hundred dollars to the plaintiff. Mount was injured in alighting from train at the local depot. He was awarded four hundred dollars at a former trial but the company took an appeal.

**Good Flow of Oil.**  
Mr J T Allen, of Cartersville, was in our office this week and tells us a stream of oil has broken into a well he recently made on his place. It has so polluted the well that the water cannot be used. When placed in the fire the oil burns rapidly. It is pronounced a high grade by those who have examined it.

**Jim Burdett Killed.**  
Jim Burdett, the colored barber, was killed in his shop at Middlesboro last Saturday. His remains were brought to Lancaster for interment. He was the son of Riley Burdett, a man who was respected by every one who knew him. Jim Burdett was born and raised in Lancaster, and enjoyed confidence and respect of all who knew him.

**The State Normal.**  
Active measures are being taken at Richmond to provide good board and lodging at satisfactory rates for all young men and women who may enter the Eastern State Normal this winter. All students may go to this school with the assurance that they will find suitable accommodations at reasonable rates. The attendance from January 21st on, will be very large, but will be well taken care of.

Now is the time of year when some people begin storing eggs until the winter months when they sell them to dealers and others for nearly double what the eggs now bring on the market. This is a dangerous practice and is forbidden by provisions of the pure food law, being punishable by fine and imprisonment. Most of the eggs so stored in grain bins and cellars become tainted and are totally unfit for the market, while from their outside appearance they look all right.

**Old Money Coming Out.**  
The money stringency is bringing out all sorts of quaint coins. Gold that bears unmistakable marks of dirt, showing that it has been buried, paper money with the odor of old soap and odd silver of every description, says the Paducah Sun. One man in paying for purchases at one Broadway store this week tendered some script small change. He had a five cent bill, a ten, fifteen, twenty and twenty five cent bill, and they were readily accepted. Some of the clerks in the establishment wanted them and paid a premium for them. It is safe to say this is the first paper money of less than the dollar denomination seen for some time in this vicinity.

A meeting of the stock holders of the Blue Grass Creamery Co, has been called for Tuesday, Dec, 17 at 10 A M at the Court House. This meeting will be held for the purpose of considering the offer of Mr Henley V Bastin to lease the plant. We understand that Mr Bastin has made a very favorable offer, and agrees to give bond that he will run the plant continuously during the term of his lease. He also agrees to make the butter for 25c per pound, as heretofore, and market the same at the highest prices obtainable. It is important that all stockholders attend this meeting, as their failure to do so will very likely result in the factory remaining idle indefinitely.

**Protracted Meeting.**  
Lancaster, Dec 10th.  
To all whom it may concern: At the Methodist church, "the Little Church on the Corner," on the 17th of December (next Tuesday night) will begin a series of meetings. These meetings will be held for the glory of God, the salvation of souls and the promotion of piety and holiness among the people. Now, as pastor of the Methodist church, I sincerely ask every man and woman in Lancaster that loves God and man and this sin and the devil, and desires to see the drunkard lifted out of the gutter, the miserly money-lover saved from his gutter worldliness into which he is in fearful danger of falling, to pray God to bless the ministry of Bro E E Dawson, of Mt Sterling, who who will come to assist in the meeting at that time. J H Williams, pastor.

The Sunday school rally at Pleasant Grove, was quite a success, due to the untiring efforts of the superintendent, Miss Addie Arnold.

**Deadly Sport.**  
Reports show that 72 persons have so far been killed during the present season while hunting. Among them 2 in Kentucky, 24 in Wisconsin, 16 in Michigan and 10 in Minnesota.

**For Sale.**  
Lancaster Greenhouse for two hundred dollars if taken at once, need not be a florist, can sell all the vegetable plants one can raise. Satisfactory reason given for selling. Call and investigate. John Christman, Prop.

**Moves to Stanford.**  
Mt Vernon Signal:—We regret very much to learn that Mr W K Shugars, who for the past three years has been a valued citizen of our neighboring town, Brodhead, is soon to leave the county, to cast his lot with the good people of Stanford, where he will take charge of the Stanford Drug Co.'s business.

**Life On The Tripod.**  
An exchange explains the obligations of an editor thusly: "It is the custom of a newspaper man to boom the city for all it is worth month after month and then see a job of printing go out of town because ten cents can be saved by so doing. It is the business of newspaper men to give every local enterprise enthusiastic and frequent send offs and then catch hell because he failed to record the fact that some merchant had his delivery wagon painted to subscribe to every public, charitable and church enterprise advertise them for nothing, pay his own way to every thing and then be called prejudiced and mean spirited because a column is not devoted to that particular affair. Do you wonder that there are so many cranks in the newspaper business? It is bound to make either a crank or a philosopher out of a man."

**Enjoyable Entertainment.**

The Ariel Quartette were greeted at the Methodist church by a large and appreciative audience. The voices were fine and well modulated, the selections ranging from the purely classical to the lighter veined college songs. Each number received hearty applause and several encores were responded to.

Mr Combs, in his native mountain dialect, is particularly pleasing in his rendition of "The Homeliest Man in Town," as in most of his selections, humor and pathos combined in a way that brought smiles and tears, alternately to the faces of his audience. Simple and unaffected in manner, strong in voice and facial expression, he won his audience, as their close attention and hearty applause proved. Mr Combs is a man of whom Kentuckians may well feel proud. A native of Brethitt county, ambitious for an education, he found his way to Berea, where he continued his course of study until he was graduated. From there he entered a school in Boston taking a course of sloyd, then returning to take his present position in the Manual Training department of his Alma Mater. Mr Combs is a fine specimen of the magnificent work, Berea is doing for the people of Eastern Kentucky. While in the East, Mr Combs was warmly received and highly complimented by audiences at Chautauque, N. Y. and other Eastern cities and our people were fortunate in this opportunity of hearing him.

**Senator McCreary Honored.**

Senator Charles A Culberson, of Texas, was named chairman of the Democratic caucus at a meeting of his party associates in the United States Senate Tuesday and the vice chairmanship went to Senator James B McCreary, of Kentucky. The selection of Senator McCreary is even more of a precedent-breaker than that of Senator Culberson, for the Kentucky senior Senator is serving but his first term, and the vice chairmanship is rarely given a Senator who has served in the upper branch less than ten years. In the last Congress the place went to Senator Blackburn, an old stager in the Senate, and his predecessor had served without party recognition even longer than Senator Blackburn.

After Senator Culberson was elected a conference was held on the vice chairmanship and it was unanimously agreed that the position should go to Senator McCreary. The Kentucky Senator had no idea what his party colleagues had in store for him and confessed his surprise and thanks in a short speech accepting the honor.

The position goes to Senator McCreary the floor leadership in the absence of Senator Culberson, and the Kentucky Senator also presides over the Democratic meetings when the Texas Senator is unable to be present. With Culberson and McCreary at the head of the minority in the Senate the Democrats are in a position to put up a good fight all along the line this winter.

**There is a Reason.**  
The report of Chicago's largest mail order house as to the volume of business transacted for the first six months of the present year affords interesting study to the merchant who is interested in the mail order house problem. While the first four months showed an increase in business over the corresponding period of 1906, during the months of May and June the decrease in gross sales was remarkable. In May the amount of business transacted was \$37,000 less than in May of last year, and during June there was \$253,563 less business done than in June, 1906. There certainly is a cause for this decrease. It cannot be the result of a general depression throughout the country, for reports from every section of the United States show business in the retail lines to be fully up to the normal; in fact, in the west, where the greatest amount of mail order business is done, retailers have been doing a greater business than in former years. It appears evident that the people are becoming educated to the truth that the mail-order houses are a detriment to the county and adversely affect those who patronize them. Never before has such an active campaign been carried on for home trade. When millions upon millions of people have presented to them week after week sound arguments showing the actual disadvantage of trading away from home, it is sure to form opinion that is unfavorable to Chicago mail order house patronage. The decrease in the mail-order house business to a great extent can be attributed to this active campaign that is now being made by dealers and by the different trade Associations.—Chicago Furniture Journal, July, 1907.

**Badly Mixed Up.**  
A brahm Brown, of Winterton, N Y, had a very remarkable experience; he says: "Doctors got badly mixed up over me; one said heart disease; two called it kidney trouble; the fourth, blood poison, and the fifth stomach and liver trouble; but none of the them helped me; so my wife advised trying Electric Bitters, which are restoring me to perfect health. One bottle did me more good than all the five doctors prescribed." Guaranteed for blood poison, weakness and all stomach, liver and kidney complaints, by R E McRoberts, druggist, 50c. Im

**WALLACETON**

Mr James Guinn has moved from his farm to house in Wallaceton.

Mr J W Wallace sold two fat hogs to Mr Felix Estride at five cents per lb.

Mr Lewis Bothin has moved to the house lately vacated by Mr Jesse Kirby.

Grace and Lewis Baker and Miss Lou Phillips were visitors at Mr J A Baker's Sunday.

Mr J A Baker sold a fat hog to Mr Robert Kidd and also one to Mrs Nunn at five cents per lb.

Mrs Sarah McNew, of Orlands, is visiting friends here and attending the meetings a few days.

Rev Carrier is conducting revival meetings at the Methodist church this week. Rev Howes could not come now to conduct quarterly meeting services but will be here on Saturday and Sunday Dec 28 and 29.

Mrs J A Baker and daughter were in Berea Friday to visit Mrs V S Wyatt who was so badly burned while trying to save her baby who was burned to death last Tuesday. She seems to be recovering nicely.

**A Real Wonderland.**

South Dakota, with its rich silver mines, bonanza farms, wide ranges and strange natural formations, is a veritable wonderland. At Mound City, in the home of Mrs E D Clapp, a wonderful case of healing has lately occurred. Her son seemed near death with lung and throat trouble. "Exhausting coughing spells occurred every five minutes," writes Mrs Clapp, "when I began giving Dr King's New Discovery, the great medicine that saved his life and completely cured him." A tickling cough, from any cause, is quickly stopped by Dr Shoop's Cough Cure. And it is so thoroughly harmless and safe, that Dr Shoop tells mothers everywhere to give it without hesitation, even to very young babes. The wholesome green leaves and tender stems of a lung-healing mountainous shrub, furnish the curative properties to Dr Shoop's Cough Cure. It calms the cough and heals the sore and sensitive bronchial membranes. No opium, no chloroform, nothing harsh used to injure or suppress. Simply a resinous plant extract, that helps to heal aching lungs. The Spaniards call this shrub, which the doctor uses, "The Sacred Herb." Always demand Dr Shoop's Cough Cure. E E McRoberts.

ITCH IN THE SKIN NOT IN THE BLOOD.

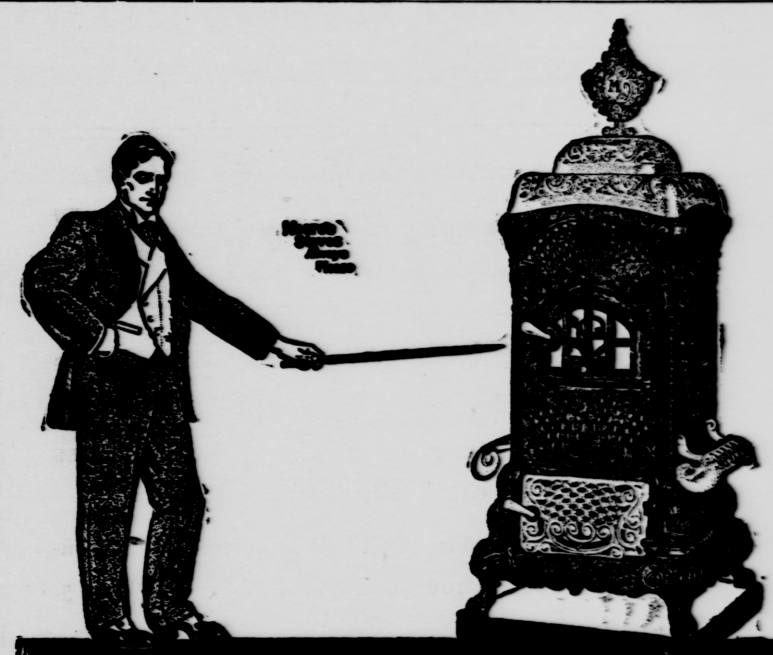

People with Eczema, etc, Make Grievous Error by Taking Medicine into the Stomach.

When your hand is scalded with hot water until it blisters and burns, you don't drink medicine to cure it. You apply a healing lotion to the injured skin.

Eczema, psoriasis, salt rheum, barber's itch and other such diseases of the skin cannot be cured by filling the stomach with medicine any more than you can cure a burn by drinking medicine. To cure these diseases you must apply the remedy on the part affected. The diseases named are caused by germs and the disease goes as nature intended it to be.

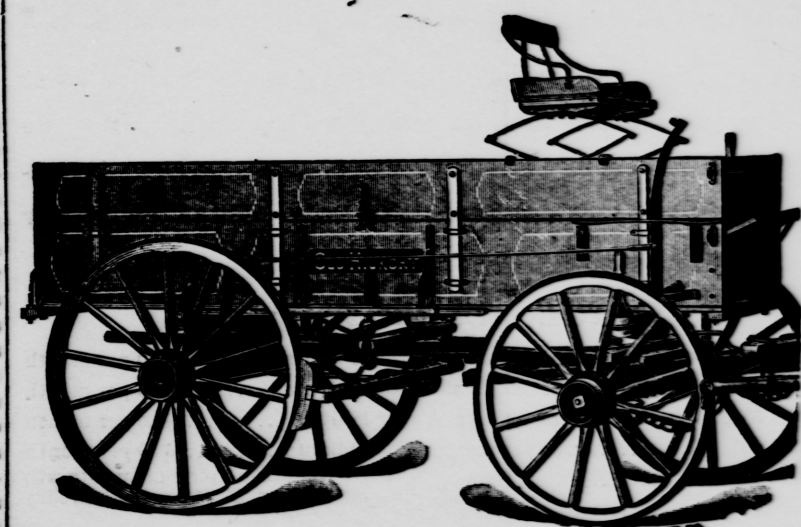

That mild, simple liquid, oil of wintergreen, properly compounded in D D D Prescription routs the germs and heals the skin so perfectly that you can never tell where the diseases was. "No tongue can tell nor pen portray what I suffered for ten years from Eczema," writes Mrs R E Latta, of Garrison, Mo. "I was treated by the best doctors in the west, but received no benefit. Three bottles of D D D cured me sound and well. Six or eight months have passed and there is no sign of a return. My advice to all, don't delay. Begin the use of D D D at once and be cured."

We have carried D D D for a long time because we know it takes away the itch and we believe it to be an infallible remedy in the treatment of Eczema and other skin diseases. E E McRoberts Lancaster.

Eat What You Like  
Don't Starve or Diet, but use Mi-o-na, and Cure Your Stomach Troubles.  
The average treatment of stomach troubles consists of dieting, which often half starves the patient. Of course it would be foolish for anyone who knows that some foods are positively harmful and poisonous to continue eating them, even while following the Mi-o-na treatment, but in ordinary cases of stomach troubles it is not necessary to starve or diet if Mi-o-na is faithfully used, a tablet before each meal.  
This scientific remedy, for the cure of stomach troubles, acts upon the whole digestive system, and strengthens the organs so that they are able to digest any food that is eaten without fear of distress. If you suffer from loss of appetite, belching, flatulency, sour taste in the mouth, furred tongue, severe pains in the region of the stomach, depression of spirits, bad dreams, lack of energy, a stomach cough, offensive breath, headaches, back aches, loss of strength and weight, you can be assured that these troubles are all due to imperfect digestion.  
Strengthen the stomach by taking a Mi-o-na tablet before each meal, and soon you will gain in weight, strength will return, and your food will give nourishment so that the rich red blood will carry good health to every part of the system.  
We have so much confidence in the power of Mi-o-na to cure stomach troubles and resulting ills, that we give a guarantee with every 50 cent box to refund the money unless it cures.

**Heart Strength**  
Heart strength, or Heart Weakness, means Nerve strength, or Nerve Weakness—nothing more. Positively, not one weak heart in a hundred is, in itself, actually diseased. It is almost always a hidden little nerve that really is all at fault. This obscure nerve—the Cardiac, or Heart Nerve—simply needs, and must have, more power, more stability, more controlling, more governing strength. Without that the heart must continue to fail, and the stomach and kidneys also have these same controlling nerves.  
This clearly explains why, as a medicine, Dr. Shoop's Restorative has in the past done so much for weak and ailing hearts. Dr. Shoop first sought the cause of all this painful, palpitating, suffocating heart distress. Dr. Shoop's Restorative—this powerful, yet gentle, medicine—directed to these weak and wasting nerve centers. It builds; it strengthens; it offers real, genuine heart help. If you would have strong hearts, strong digestion, strengthen these nerves—re-establish them as needed, with

Mrs. J. M. Daniels, of Winchester, Ky., says: "For fifteen years I have been troubled with a skin disease. I had tried every remedy I could get hold of. I thought I never could get rid of it. One day a friend recommended your remedy. I had tried so many I did not care but thought one more would not make much difference. The itching and burning stopped right away, and soon my face began to clear. It was slow work, but I kept at it, and in a few days I was free of the disease. I had to use a great many bottles just having my skin cured is worth ten times as much as I spent. I thank you and hope you all kinds of success."  
We hereby certify that full particulars shown regarding this case conclusively prove that every taint of this terrible disease was permanently cleared away by the wonderful D. D. D. Prescription.

**FOLEY'S HONEY AND TAR CURES Coughs and Colds PREVENTS Pneumonia and Consumption**  
Foley's Honey and Tar not only stops the cough, but heals and strengthens the lungs and prevents serious results from a cold.  
There is no danger of Pneumonia, Consumption or other serious lung trouble if **Foley's Honey and Tar** is taken, as it will cure the most stubborn coughs—the dangerous kind that settles on the lungs and may develop into pneumonia over night.  
If you have a cough or cold do not risk Pneumonia when **Foley's Honey and Tar** will cure you quickly and strengthen your lungs.  
Remember the name—**Foley's Honey and Tar**—and refuse any substitute offered. Do not take chances with some unknown preparation that costs you the same when you can get **Foley's Honey and Tar**, that costs you no more and is safe and certain as results. Contains no opiates.  
**Cured After Physicians Said He Had Consumed.**  
E. H. Jones, Pastor M. E. Church, Grove, Md., writes: "About seven or eight years ago I had a very severe cold which physicians said was very near pneumonia, and which they afterwards pronounced consumption. Through a friend I was induced to try a sample of **Foley's Honey and Tar**, which gave me so much relief that I bought some of the regular size. Two or three bottles cured me of what the physicians called consumption, and I have never had any trouble with my throat or lungs since that time."  
Three sizes—25c, 50c, \$1.00.  
The 50 cent size contains two and one-half times as much as the small size and the \$1.00 bottle almost six times as much.

Liberal Offer to Treat Worst Case of Catarrh.

To the Editor:

We have such an unusual offer to make to your readers, one that will be of the greatest value to them, that we hope you will give this letter prominent location.

For some time we have had an opportunity to watch the results following the use of Hyomei, a treatment for catarrh that cures by breathing medicated air, absolutely without any stomach dosing. The results have been so remarkable that we feel justified in making a public offer to treat the worst case of catarrh with the understanding that if Hyomei does not cure, it will cost absolutely nothing.

People who have spent a great deal of money with catarrh specialists, deriving but little benefit, have seen almost immediate good results from the use of Hyomei, and continued treatment with this remedy has resulted in a complete and lasting cure.

The complete Hyomei outfit costs only \$1, and consists of an inhaler that can be carried in the vest-pocket, a medicine dropper and a bottle of Hyomei. Should this not be enough for a cure, extra bottles of Hyomei can be obtained for 50 cents. Compare this small expense with the fees charged by specialists, and remember we guarantee the treatment will cost nothing unless it cures.

Very truly yours,

R. E. McRoberts, Druggist.
